ELECTRICAL & POWER

Electrical Tapes, Wire Connectors, Terminals, Kits & Tools, Lugs & Connectors, Fastening Products, Wire Marking & Identifying, Aerosols, Coatings & Lubricants, Diagnostic & Detection Products, Moisture Resistant products, Personal Safety, Sorbents & Abrasives, Terminations, Splices, Motor Lead Connections, Cable Accessory Products, and Heat Shrinkable Products.

Manufacturer of Various Industrial Electrical Products for Hazardous location, Explosion Proof and Ordinary Location Environments

Overhead and Substation Connectors, Grounding Connectors, Tooling.

One of the world's leading labeling & identification specialist, Identification Solutions (Portable Printers & Labels, Thermal Transfer Printers & Labels, Laser Labels, Dot Matrix Labels, Software Services & Data Collection, Custom & Specialty Products, Pre-printed Wire Markers).

Liquidtight Flexible Nonmetallic Conduit, Tubing and Liquid Tight Nonmetallic Fittings

Circuit Protection Solution, All type of fuses.

Specialized Cable Company for Low & Medium Voltage Power Cables

Medium and High Voltage Pre-molded Underground cable accessories for 200, 400, 600 Amps System.

Safety Switches, Circuit Breakers Enclosures, Molded Case Circuit Breakers, Power Break Circuit Breakers, Low Voltage Power Circuit Breakers, Medium Voltage Switchgear Components, Ground Fault Protective Equipment, Disconnect Switches, Specialty Transformers, Metering Products, Panelboards, Low & Medium Voltage Switchgear, Low & Medium Voltage Motor Control, Capacitors, and Arresters.

SF6 & Vacuum Switchgear, Splices & Terminators Cable, Switchgear Automation Products.

Wall Fixing & Floor Standing Metal Enclosures, Boxes & Enclosures In Polyester, Metal & Insulating Boxes & Enclosures, Boxes for Modular Distribution, Thermal Control for Electrical Switchboards, Accessories, Temperature Control for Electrical & Electronic Switchboards (Ventilation Systems VF, Air-air Exchangers, Air-water Exchangers, Cooling Units, Resistance Heaters RC, Control Devices TS, Circulation & Selection Aid Software Proclima).

Wiring Devices Such as : Plugs, Receptacles, Dimmers, Wall Plates, Adaptors, etc.

Makes Job Easier, Profitable and More Efficient with smart product solutions such as Wire Nut, Connectors and T-Wire Stripper, etc.

Conduit Bodies & Fittings for Hazardous Locations.

Flexible Electrical Conduits (Jacketed Metallic, EMI/RFI Shielded, Unjacketed Metallic, Nonmetallic).

Performance 16 MHz, Complies to standard TIA/EIA 568-B.2, 24 AWG Solid bare annealed soft copper wire. PVC Insulated to a special color code with Band Marking. Sheath color option: Grey, Cream, Beige, White, Electronic Cable. Designed to be used for Voice and Data Communications up to 16 MHz Bandwidths. Available in many colors and packaging lengths-Easy pull box and / or plywood reels.

Manufacturer of Cable Ladders, Cable Trays, Cable Trunkings, Cable Runways, Tube Raceways, VersaStruct Metal Framing Systems and Special Fabrication of Steel and other Metal Products.

Electrical Testing Equipment for Cable Fault Location, Oil Test, Multimeters, Insulation Tester, Earth Tester

Wiring Devices, Circuit Protection, Modular Switching & Monitoring System, Datacoms, Boxes & Ancillary Products, plugs & Adaptors, Switch Sockets.

Specialized Cable Company for Soft/Hard Drawn Bare Copper Wire, Single Core Cable/Building Wire, Flexible Cable, Low Voltage Power & Control Cables and Rubber Cables.

Under O-Z GEDNEY Group Manufactures Electrical Metallic Tubing (EMT) Fittings of ZINC Die Cast Material Finish for Commercial and Industrial Applications.

DISTRIBUTION DIVISION

Tubular Cable-Lugs, Butt-Connectors, Screw Sleeves, Screw Type Cable-Lugs, Crimping Tools and Cable Cutters.

Under EGS Group Manufactures - Conduit Bodies, Fittings, Boxes and Enclosures for Standard Applications.

Manufacturer of High-Quality Products of White Conduit, Polyethylene, Lining Steel Pipe, Flexible Conduit Galvanized Steel and Fittings. (Formerly named « Matsushita »)

Electrical Fittings and Wiring Devices.

Terminal Lug Copper, Ground Rod Clamps, Split & Service Post Bronze Connector, Connector Sleeve and Connector Electrical Terminal Lugs.

Galvanized Rigid Metal Conduit Fittings, Galvanized IMC Fittings, Aluminum Rigid Conduit Fittings and Zinc Coated EMT Fittings.

On-Line Partial Discharge Monitoring System, Solution for the Enhancement, Reliability, and Maintenance of Transmission and GIS & AIS Substation Facilities.

Conduit Fittings, Steel & Weather Proof Boxes.

Rigid PVC Electrical Tubing, Elbows and Conduit for EOC-40 & 80 applications. Designed in Normal & Heavy Duty Applications. Encased Concrete, and Direct Burial w/o concrete encasement.

Low Voltage Cables including PVC and XLPE Insulations, Armoured Cables, Single & Multicore Cable Construction.

Manufacturer of UPVC Conduits, Fittings and Trunking applicable for Exposed Works in Under Floor & Raised Floor System.

Offer products on: Industrial Automation & Controls, Building Automation, Access Control & Security, Solution for Residential, Industrial & Building Automation, Logic Controllers, Low Voltage Distribution, Load Centers, Busway Prisma Plus, Power Factory Corrections, Health Care Solutions, Voice Data Image, Data Centers & IT Solutions, Hotel & Home Control Solutions and Wide Ranges of Wiring Devices.

Cable Lugs, Sleeves, Ring / Fork Terminals, Safety Tools use for Transmission Lines and Substation Projects.

Manufacturing the highest quality Steel Pipes used by Oil & Gas Industry, Water Distribution and Construction for many other market demand.

Ideal for field in Grounding Materials, Ground Plates and Aircraft Grounding Receptacle , etc.

Terminal Blocks, ATEX Endosures & Heavy Duty Connectors.

Earthing & Lightning Protection Materials and Exothermic Welding Products.

Enclosures for the Electrical, Electronic and Telecommunications Industries.

Hot-Dipped Galvanized Rigid Steel Conduit, Elbows, Nipples, IMC, and Electrical Metallic Tubing.

Industrial Coating & PVC Coating for Rigid Steel, Conduits & Fittings.

L I G H T I N G D I V I S I O N

Indoor and outdoor Lighting, High Bays, Floodlight, Wall Pack, Up-Light, Bollard, Lighting Fixtures.

Specializes in Explosion-Proof Lighting Products for Hazardous Locations (ANSI & UL Standards).

Specializes in Explosion-Proof Lighting Products for Hazardous Locations (IEC Standards)

The leading provider of innovative, high-quality lighting fixtures and related products to worldwide commercial, industrial, residential and utility markets

Specializes in Explosion-Proof Lighting Products for Hazardous Locations (ANSI & UL Standards).

The latest member of the Cooper family, is taking a new approach to lighting control. Combine the best products from innovative companies with the global reach and resources of Cooper Industries to create new lighting control solutions that are high quality, easy to use with a low cost of ownership.

A division of Cooper Industries, Cooper Lighting and Safety manufacture a comprehensive range of mains and emergency lighting solutions for commercial and industrial applications.

Specialized in street lighting and outdoor lighting, the company was created in 1927, technical and photometric excellence have always been the trademark of ECLATEC branded products.

Specializes in Asymmetric and Indirect Lighting Fixtures for Wall Washing and Cover Lighting.

Collaborations with professionals to world-wide level and a wide range of LED lighting systems and apparatuses, the most innovative light technologies

Incandescent Lamps, Halogen Lamps, Fluorescent Lamps, Compact Fluorescent & High Intensity Discharge Lamps.

Garden Lighting, specialized in Recessed Uplighters and Decorative Floodlight.

Outdoor & Indoor Lighting Systems for Residential, Commercial & Industrial Application.

Lighting Fixtures, Fittings for Hazardous Locations.

Spanish manufacturer, that It designs, makes and commercializes a wide range of products, allows LAMP to have a flexibility that is key for the excellent development of any architectural program.

Leading manufacturer of innovative linear LED lighting solutions. Our products achieve a new dimension of light. For light without boundaries.

Explosion proof lights, Magnetic Spotlight, 24 volt & 12v Military Spotlights, HID & LED lights, Remote Control.

General Lighting Services Lamps, Tungsten Halogen Lamps, Compact Fluorescent Lamps, Fluorescent Lamps, LED, Discharge Special Lamps & Electronic Control Gear.

FAA certified manufacturer of Airfield Lighting, Obstruction Lighting and Heliport Lighting.

Thorn lighting part of the HYPERLINK "http://www.zumtobelgroup.com/en/index.htm" it "blank" Zumtobel group, is a globally trusted supplier of both outdoor and indoor luminaires and integrated controls.

Architectural Lighting

Was established in the early seventies to produce lighting designs for domestic interiors with the accent on the quest for style as a blend between form and innovative technical functions, High quality looks, for community spaces, shopping centers, public entertainment and leisure centers and the whole range of the workplace.

Electronic Ballasts, Electromagnetic Ballasts, Transformers, Ignitors, Capacitors, LEDs, Lamp Holders & Accessories for luminaires.

The Global Leader in Ballasts and Controls for Commercial Lighting Applications - including Electronic Linear Fluorescent, HID.

Was founded in 1986, and has since grown steadily to become one of the largest independent Emergency and exit Lighting in addition to the Central Battery System Manufacturers in Europe.

INSTRUMENTATION & COMMUNICATION DIVISION

Test & Calibration Instruments, Flue Gas Analyser.

Transparent, Reflex, Magnetic Level Gauges, Sight Flow Indicators, Boilers Levels, Separator Vessels.

Magnetic, Ultrasonic, Mass & Vortex Flow Gauging.

Lab & Research Equip. & Services.

Specialists in Accurate Storage Tank Inventory Control, Servo & Radar Tank Gauging.

Offers the Highest Quality of Instrumentation Tubes & Fittings.

Signal Isolators, Convertors, Alarm Trips, Temperature Transmitters.

Test Benches and Calibration Systems.

Pioneers in Field Bus Modules and Smart Transmitter.

Pressure, Temp, Level & Flow Measurement.

Industrial Automation Software Solutions.

Allen-Tel

Adaptors, Cable Tester, Modular Hardware.

Rack Enclosures, Server Rack Systems, Post Modules & Coaxial Patch Panels, Terminal Blocks.

Largest Suppliers of Telecom in US Voice/Data Terminal Equipment.

Modems, 2-Wire Line Driver, Cord Cage System, Multiplexer, Data Line Monitor, Emulator and Tester.

Full Line of Modular Jacks, Plates, Surface Housing, Cross Connect, Relay Racks Adapters, Cords, Plugs and Tools and all other requirements for Cats, Pds with 15 Years Warranty Program.

DataComm Installation Products.

Rack, Post Modules & Patch Panels, Test Equipment.

The Complete Manufacturer of Closed Circuit Television for Marine and Oil & Gas Applications.

Convergence/IP Telephony, Hubs, LAN Switches (IntelliJack, Modular, Stable/Edge), Network Interface Cards & LOMS, Network Management, Routers, Security, Wireless.

Broadband Wireless Solutions, Wireless Systems (RedMax, WiMax, AN-100 System, AN-50e System, AN-30e System), Wireless Internet Provider (WISP), Softwares (Network Management System).
